SUBJECT:

HPSCI Report on the Intelligence Authorization
Act

1. Attached for your information are relevant portions of the House Permanent Select Committee on Intelligence Report on the Intelligence Authorization Act for 1990. You will note from the report that HPSCI recommends the SEO budget to be incorporated into the Intelligence Community Staff budget. The report also raised questions concerning State Department staffing of SEO, and stated its intention to ask the DCI and the Secretary of State to explain their policies concerning staffing of SEO.
